### Businessman jailed for selling dangerous bleaching treatment

# SKIN DEEP

**JAILED:**  
Mohammed Iqbal  
Bharodawala

A SHOPKEEPER from East Ham has been jailed for 20 months for selling illegal and toxic skin lightening products, in the first custodial sentence of its kind.

Mohammed Iqbal Bharodawala, 45, and his company Jenny's Cosmetics Limited admitted nine charges of selling the products which contain the banned ingredient hydroquinone.

The father-of-six also admitted 15 charges relating to inadequate labelling of the harmful products, which were confiscated by Southwark Council in January.

Hydroquinone, banned in the UK in 2001, causes skin damage and is linked to damage of the liver and nervous system.

The businessman was also disqualified from being a company director for four years, and the company fined £1,500.

His brother, Abdul Kadar Bharodawala, 35, was sentenced to 80 hours' unpaid work and the company fined £500.

His charges related to the marketing of products containing hydroquinone and a failure to label them properly.

Judge Freya Newbery at Inner London Crown Court, told the defendants: "There's no doubt that you knew what your obligations were as a distributor of cosmetics products and you should not have been marketing products which contained banned substances,

especially hydroquinone."

An inspection by Southwark Council in January led to 260 items being seized from the shop floor and stockroom at Jenny's Cosmetics in East Street, Walworth, south-east London.

A test purchase of three products on eBay revealed similar products were being sold by Jenny's Online Ltd run by father-of-four Abdul.

Of the items purchased online, a Grace Duo lightening cream was found to contain 17.6 per cent hydroquinone.

Some of the products seized also failed to display the names and addresses of a manufacturer, breaching EU regulation.

Mohammed, of Heigham

Road, was previously handed a 12-month suspended sentence and £1,300 fine in November 2015 for similar offences.

Prosecuting, Richard Heller said: "Mohammed would have been well aware of his obligation as a distributor of the product, having been prosecuted for similar offences."

The court heard Mohammed had applied for an application to have his company struck off, and that he had recently changed the name of his shop to Jenny's Hair and Wigs.

The majority of previous cases have resulted in financial penalties.

Mohammed will serve half of his term in custody.

### Special constable dismissed for gross misconduct

A SPECIAL constable at Essex Police has been found to have breached the standards of professional behaviour, amounting to gross misconduct.

A panel found that SC James Durrance attempted to use his position to the advantage of others and was not open and honest.

On June 9, 2016, he attempted to influence Asda store staff in Dagenham after two people known

to him were detained following allegations of shoplifting. He told security and employees that he was an officer and showed them his warrant card.

When Metropolitan Police officers arrived, he left but he later received a call from an acting Inspector to discuss his involvement in the incident.

During this conversation he was not open and honest and knew the

account he gave was not true.

A misconduct panel ruled on Thursday, August 16, that SC Durrance's behaviour breached the standards of professional behaviour relating to authority, respect and courtesy, and discreditable conduct.

He has been dismissed from the force without notice.

Supt Cat Barrie, the senior officer sitting on the panel, said after the hearing: "SC James Durrance used

his position of trust and his warrant card to try and influence others during an alleged crime.

"He then spoke to store employees disrespectfully when they questioned his motives and he failed to give a true account of the incident to a senior officer at another police force.

"These behaviours discredit the force and do not represent our core values of honesty, integrity, authority, respect and courtesy."

# Crowds enjoy a feast of R 'n' B at Chingfest

THOUSANDS of people flocked to Waltham Forest's annual celebration of R'n'B – Chingfest. Nearly 19,000 revellers descended on Ridgeway Park, Chingford, on Saturday, August 11.

Top tribute acts including I am Whitney (Whitney Houston), Celebrate (Kool and the Gang), and Harry Cambridge (Luther Vandross) wowed audiences. Crowds also enjoyed an urban DJ dance tent, comedy shows, arts and creative workshops, along with fresh food and drink.

Cllr Paul Douglas said: "Last weekend we enjoyed south Asian influences at the Mela, and this weekend some of the very best soul and R'n'B tribute acts entertained the crowds."

"It demonstrates the huge variety of culture and talent that you can find day in, day out across Waltham Forest."

# School friends stepping out for grans and hospice

A GROUP of school friends will step out in memory of loved ones next month when they walk 10km for their hospice.

Jodie Buckland, sisters Sarah and Laura Nash and Karly Knight have signed up for the Saint Francis Hospice Star Walk and will join hundreds of supporters striding around Romford town centre on Saturday, September 22.

"I have had quite a few friends who have been helped by the hospice – my nan Jean being one of them," said Jodie, 26, from Dagenham. "She had cancer and had lost her leg and she would not have been able to come out of hospital and go home to be with her family without the hospice's support."

Jean was cared for by the Specialist Crisis and Support Service and the Hospice at Home team.

Sarah and Laura, both 26, will also be walking in memory of their gran Marion Nash, who was cared for on the inpatient unit during the last days of her life in 2017.

WALK: Laura and Sarah Nash, Karly Knight and Jodie Buckland

"We were reluctant about putting her into the hospice in the first place, but it really was the best place for her to be," said Sarah, from Dagenham.

Tickets cost £20 (including a limited edition 10th birthday T-shirt and medal). Book at [www.sfh.org.uk/star-walk](http://www.sfh.org.uk/star-walk), call 01708 753319 ext 2278 or email [events@sfh.org.uk](mailto:events@sfh.org.uk).

## Advertisement Feature

Nova IVI Fertility (NIF) is the among the largest service providers in fertility space. NIF aims to bring advanced Assisted Reproductive Technology (ART) to India in partnership with IVI of Spain. The partnership has resulted in a substantial addition to Nova's IVF services and technology, including proprietary software, training and quality management.

While India has seen a significant rise in the number of patients opting for infertility treatments, the numbers are still abysmally low compared to the couples actually

requiring medical treatment. One of the major reasons for this is the lack of awareness amongst the public about the basic concept that infertility is a disease that needs to be addressed medically. Nova IVI Fertility was launched with the commitment to offer standardised and ethical infertility treatment, as well as addressing the urgent need for an organized institutional provider for fertility treatment.

In addition to providing core procedures such as IUI, IVF and Andrology services, NIF offers several state-of-the-art technologies such as Vittrification for preserving embryos and eggs, Embryoscope and ERA to find out the timing of the uterus' capacity to accept embryos – all procedures that significantly improve the chances of a pregnancy following IVF-ICSI, even in patients with multiple previous failures.

NIF also offers another sought after advanced technique known as IMSI (intracytoplasmic morphologically-selected sperm injection). This is an upgrade of ICSI (intracytoplasmic sperm injection), where

the embryologist carries out the fertilization of the oocytes (egg) using an extremely high-powered microscope to select the sperm cells with the best morphological quality. With IVI's know-how and vast international expertise, NIF brings the same exceptional standard of processes, protocols and policies to India.

In a short span of six years from inception, NIF has successfully completed over 44,000 cycles and achieved 20,000+ pregnancies, bringing couples closer to their dream of parenthood.

NIF currently operates 20 fertility centers in India (Ahmedabad (2), Bengaluru (3), Chennai, Coimbatore, New Delhi (2), Hisar, Hyderabad, Indore, Jalandhar, Kolkata, Lucknow, Mumbai (2), Pune, Surat and Vijayawada).

In the UK, Nova IVI Fertility works in collaboration with Advatech Healthcare who will be a helping hand for all the needy childless couples who seek to avail the best in class fertility treatments in India.

Nova is hosting a FREE one to one

discussion with an IVF expert on 8 & 9 September 2018 at Chartwell Private Hospital, London Road, Leigh on Sea, Essex, 10 Harley Street, London and 101 Colindeep Lane, Hendon.

To discuss this more in detail, we can be contacted on **07424639342** or email us at **novaivi@advatechhealth.com**

**An opportunity has arisen to join our successful sales team in our Basildon office.**

We are looking for really exceptional individuals who can become part of our commercial division.

The successful candidates will have many responsibilities in this varied sales role, giving priority to developing new business by cold calling and building relationships with prospective clients.

To be successful in our business you need to have a flexible approach to work and be prepared to dig in and roll up your sleeves when the going gets a little bit tough!

A proven sales background is preferred but we are looking for highly motivated individuals who are keen to learn and keen to earn.

A good command of the English language and good writing skills are most definitely a prerequisite, as are good listening skills.

A full clean driving licence will be required.

**Benefits:** Basic Salary plus tiered bonus structure. 5 weeks holiday per annum. Pension Scheme (after qualifying period). On-going training.

# OFSTED SUCCESS 2016

## LEYTON SIXTH FORM COLLEGE RATED 'GOOD' BY OFSTED 2016

*The report highlights that students feel welcome, safe and secure and 'safeguarding arrangements are excellent'. The 'quality of teaching, learning and assessment' are heavily praised. 'Teachers set high expectations of their learners with regard to the quality of their work and standards of behaviour. Learners produce work of a high standard.'*

*'Support is very effective and is tailored well to meet individual needs'. Inspectors recognised the high numbers of students going on to university, many to the most prestigious. 'A high proportion of learners on level 3 programmes go on to university. Most learners on level 1 and level 2 programmes progress to the next level of learning.'*

*Enrichment and sports provision is also noted to be of a high standard. 'Most learners participate in the many opportunities available to develop their personal and social skills, including volunteering, Duke of Edinburgh awards and the accreditation of their achievements through a university awards scheme.'*

*Pastoral provision for students is also praised: 'Teachers and tutors have high expectations and effectively use demanding and accurate targets that help learners work at pace and progress in line, or better than, expectations. Tutors ensure that students are well prepared for examinations and receive effective guidance in applying for university.'*

**'A very high proportion of A Level and Vocational learners achieve their qualifications and the majority exceed their target grades'.**
